

American Recovery and Reinvestment Act (ARRA) 1511 Certification

Loan Number 91A119-10 – June 17, 2009

Water Infrastructure Finance Authority (WIFA) 1511 Project Certification

The WIFA Chairman of the Board and the WIFA Executive Director certify that this ARRA infrastructure investment of \$4,021,623 has received the full review and vetting required by law and accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. This investment will fund:

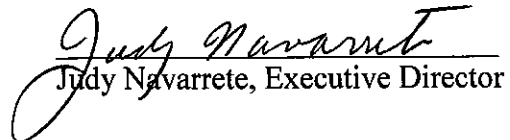

CW-041 & CW-042: These projects will fund the construction needed for the rehabilitation of the indicated trunk sewer lines. The project is being divided into sections to allow the City to prioritize the repairs based on the severity of the deterioration identified. Section B will repair approximately 5,200 LF of 24-inch sewer line on Northern Avenue between 83rd and 91st Avenues. Section C will cover the repair to approximately 3,200 LF of 36-inch sewer line on 95th Avenue between Northern and Peoria Avenues.

CW-059: This project is for the installation of a 50 KW solar generating facility at the Beardsley WRF Operations Building. The project will allow the City to work towards meeting its goal of greener building construction for and to ultimately reduce power usage and minimize the carbon footprint of the facility.

The projects have an estimated total cost of \$4,021,623 for the City of Peoria. This certification will be posted on www.azwifa.gov which links to recovery.gov.
